## Searching for our pot of gold?

We all are painfully aware of the ongoing SDUSD budget cuts and the impact it has on our school. Although we may not find a pot of gold, we definitely are thankful for having a GEM of a school! ## Your PTF dollars at work!

### *A glimpse of Mission Life*

As part of the 4th grade social studies curriculum, students wrapped up their unit regarding California's historic missions with a fun and informative trip to Mission San Juan Capistrano.

Thanks to funds provided by our wonderful PTF, students rode an AMTRAK train from the Santa Fe Depot station located in downtown SD to the San Juan Capistrano train station.

We were greeted by the mission docents and given a guided tour throughout the grounds of Father Serra's "Jewel of the Missions"

Students even made their very own (miniature) adobe bricks!

*Thank You* for making it possible for Dailard students to participate in such a wonderful and educational adventure.

Dailard 5<sup>th</sup> graders & Mr. Phinney's class spent a beautiful San Diego morning observing this Grey whale's annual migration.
