

# DAILARD DAYS

October 2011 Issue 10

Some of you might wonder why the PTF opts to do a Pledge Drive and where this money goes. The answers are easy. The consensus from last year's survey was that most parents would rather give one flat out donation than have to sell candy, popcorn, wrapping paper and entertainment books, for far more work and far less money. On top of that, a Pledge Drive allows for a charitable tax deduction and the opportunity for matching grants from your employer (last year, Dailard received over \$1,000 from matching grants!)

You also told us where you'd like your pledge money to go and we heard you. This year, the PTF is very excited to fund a part time PE teacher and purchase new PE and recess equipment. We're also continuing to provide grant money to your child's classroom, fund math and reading web based programs, pay for assemblies, music and art, and much, much more.

Help us reach our goals by turning in your pledge donation or paying on line as soon as possible. Any amount is greatly appreciated. Together we can make so much happen for our kids!

In Appreciation,  
Shayna Kaufmann

We get \$1 donated to our school for every \$20  
F & E receipt we collect  
between Sept 15<sup>th</sup> - Dec. 31<sup>st</sup>

Our local F& E is at 8788 Navajo Road.  
Receipts can be collected from all locations.  
Please turn your receipts into the collection  
box in the office or to your teacher.

## Top 5 Things You May Not Know About Mr. Sanfilippo

5. I attended Dailard Elementary from kindergarten through sixth grade. My favorite Dailard memory was when the sixth graders played softball against the teachers and we won! It was the first year the teachers had ever lost.
4. I'm an avid sports fan. My grandfather taught me how to read the sports page when I was four years old. I knew how to read baseball stats before I knew how to read a book. My two favorite teams are the San Diego State Aztecs and Miami Hurricanes.
3. This is my fourth year teaching at Dailard and tenth year of teaching first grade. I enjoy teaching first grade since the kids have a great attitude and really want to learn.
2. I come from generations of commercial fisherman. I am the first not to follow the same path. I am the first one to graduate from college.
1. For ten years, I coached youth baseball for Allied Gardens Little League. So if you are in my class - please remove your San Carlos baseball gear.

## Be in the know

Sign up for PTF alerts at [Dailard.org](http://Dailard.org) or turn in your parent volunteer interest form to your teacher.

We will make sure you are connected and up to date with all the PTF happenings.

## Assembly

**Tuesday, October 11<sup>th</sup> - 1:10 PM**

We hope students will not only be amazed by these extreme athletes doing high flying jumps but also walk away with a message.

In celebration of Red Ribbon Week, we hope they learn:

How to Blast through self-limiting beliefs

How to make good choices

Why you should never quit on yourself

How to proudly wear a helmet when riding

And much more....
