Top 5 Things You May Not Know About Mrs. McKee

5. I am comfortable being the new kid on the block. My dad was in the Navy, so we moved a lot. I have lived in 14 states and Germany. I never went to the same school for more than one year until I entered the 8th grade. My favorite place was Virginia since the people were friendly.
4. Hatchoo! I am allergic to all animals with fur so all my pets are hairless. We've had turtles, snakes, lizards, and fish as our family pets.
3. Go Aztecs! I love college football and I am an Aztec and Texas Longhorn fan. I also enjoy boating, golfing, cooking, shopping and vacationing.
2. I am lucky to have had two careers that I truly enjoy. Before teaching I was a Respiratory Therapist at Children's Hospital for 10 years.
1. I am the proud mom of three children. Karlie is a nursing student at SDSU. Tyler plays baseball for Mesa College and hopes to be a teacher/coach. Garrett is a student in Mrs. Escalante's 3rd grade class. My husband, Scott, of 21 years, grew up in the neighborhood and attended Patrick Henry.
