

Hey kids! Grab your grandparents and join us on Wednesday, January 14th at 12:15pm for our first ever **Grandparents and Graham Crackers!**

Yes, we realize this is lunchtime, but everyone knows that grandparents are allowed to give treats before a meal.

We'd love to say THANKS to all of the grandparents who help out in the classroom, drop off or pick up their grandkids, help out with homework or maybe just give great hugs! We know there are lots of awesome grandparents who offer their grandkids support during their time at Dailard and this is our chance to show them that they are appreciated!

Please **RSVP by Wednesday, January 7th** so that we know how many s'mores making supplies to have on hand.
