**Come one, come all!**

It's the *2nd Annual* Henry Cluster STEMM Foundation Mini Golf Challenge—a totally fun, absolutely free family event featuring mini golf holes designed and built by students in the Patrick Henry High School neighborhoods. They've created a course at Dailard Elementary that they invite you to come and play. Part engineering, part art, part sports, part community get-together... Can you think of a better way to spend a Saturday afternoon? Bring your friends, support local STEM education, have a good time.

**Play...** mini golf!

**See...** student art and science projects!

**Watch...** a PHHS robotics demonstration!

**Drink...** Maui Wowi coffee and smoothies!

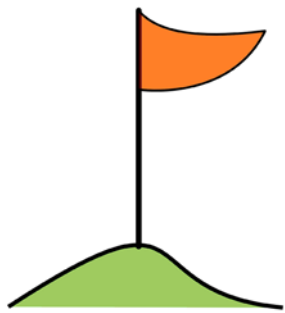

**Eat...** Cheesy Amigos grilled sandwiches!

**Vote...** on your favorite mini golf hole!

**Cheer...** for the team that wins the trophy!

The course is open from 10:30 AM to 1:00 PM.
