

**Henry Cluster STEMM Foundation Presents**  
**The 3rd Annual**  
**Mini Golf Challenge**

**Saturday, April 16, 2016 at Pershing Middle School**

The Henry Cluster STEMM Foundation challenges the students of the Patrick Henry High School neighborhood schools—from kindergartners to seniors—to design and build a miniature golf hole for a community mini golf course. Teams will also compete for the **Mini Golf Challenge Trophy**. Last year the Butterfly Life Cycle team from Benchley-Weinberger Elementary took home the prize. This year, will it be you?

This  
year's  
theme is

**water**

**Students!**  
**Accept the Challenge!**

- Form a co-ed team of 2 to 6 students from your school.
- Recruit an adult team mentor.
- Visit [hcstemm.org/minigolf](http://hcstemm.org/minigolf) for more details and to register online.

**Please Keep in Touch**

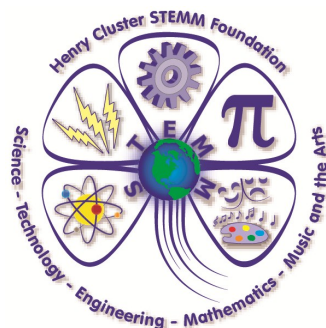

- Subscribe to email updates on our website at [hcstemm.org](http://hcstemm.org)
- Like us on Facebook at [facebook.com/hcstemm](https://facebook.com/hcstemm)
- Come to a board meeting! Our calendar is on our website.

**Parents!**  
**Want to Help?**

The Henry Cluster STEMM Foundation is seeking assistance planning, staffing, and funding this event. If you or someone you know is interested in donating time, expertise, materials, or funds, please contact Foundation member Karen Miller at the phone number or email address below. You may also visit the web page [hcstemm.org/volunteer](http://hcstemm.org/volunteer) to fill out the Volunteer Interest Form.

We are looking for help in the following areas:

- Trophy Creation
- Marketing and Promotion
- Organizing Student Exhibits
- Materials Donations
- Sponsorships
- Event Set-Up, Staffing, and Clean-Up
