

Dear Parents,

Welcome to Third Grade!

If you are looking for ways to contribute to your child's education before the school year even starts, here is a list of supplies that our third grade teachers use frequently with their students and in the classroom. Please send any items you wish to donate to school with your child during the first week. We appreciate all your help!

Thanks so much!

The Dailard School Foundation  
Dailard Elementary School  
6425 Cibola Road San Diego, CA 92120
